1. That the licensee shall and will pay the rent hereby reserved in manner aforesaid, and shall and will also pay all charges, taxes, rates and assessments whatsoever which shall during the said term be charged upon or be payable in respect of the said lands.

2. And it shall be lawful for the Minister or any person thereunto authorized by him at all reasonable times during the said term to enter upon the said demised premises and examine the condition thereof.

3. And that the licensee shall not nor will not during the said term assign or underlet the said lands or any part thereof, or any buildings or any portion of them erected on the said lands without consent in writing of the Minister.

4. And that the said lands shall be used for the purposes of the said mining operations and for no other purposes; except with the consent of the Minister.

5. And that if at any time during the said term any portion of said lands should, in the judgment of the Minister, be found necessary for railways, roads, or trails, or should be necessary or convenient for church, educational, or other public purposes, His Majesty may resume possession of any such portion of them upon sixty days notice to the licensee, but so as to cause the licensee as little obstruction, interference, or inconvenience as possible to or with the licensee in the exercise and enjoyment of its rights hereunder, and thereupon an abatement shall be made in the said yearly rent at the rate of one dollar for every acre, possession of which shall be so resumed, but in no such case shall the licensee have any claim for damages in any way resulting from such resumption or from the determination of this licence.

6. And that the licensee shall maintain to the satisfaction of the Minister all roads and trails on the said lands which are now in existence and which the licensee may hereinafter open, lay out,

or construct on the said lands, subject to and only with the approval of the Minister, and shall permit the public to have free access to and use of any and all such roads and trails at any and all times, and shall take every reasonable precaution against any of the public being injured by reason of the mining operations on said lands.

7. And there shall be a reservation for the use of the public of one hundred feet in width along the shore of each lake, river, or stream on the said lands, as provided for in the Parks' Regulations approved by His Excellency the Administrator in Council on the 21st day of June, 1909.

8. And that it shall be lawful for the Parks' officers at all times during the said term, or any renewal thereof, to enter upon and utilize any portion of the said lands which in his or their judgment may be in the interest of the administration of the said park, and to improve the condition thereof, provided such liberties shall be exercised by such officers or employees so as to cause as little obstruction, inconvenience, or interference as possible to or with the licensee in the exercise and enjoyment of its rights hereunder.

9. And that the licensee shall not cut or interfere with any timber, trees, or other vegetation on the said lands, or impair the natural beauty of the park scenery in any way or manner, except to such an extent as in the judgment of the Superintendent of the Park is necessary for such mining operations.

10. And that the licensee shall pay dues upon any and all green or dry timber which may be cut on the said lands in connection with the operations of the licensee.

11. And that the licensee shall burn all refuse, tree-tops, and branches which may result from the cutting of said timber; such burning to be performed at the expense of the licensee and under the direction of the Superintendent of the Park.

12. And that the licensee shall remove and dispose of all mining or other refuse resulting from the said mining operations in a manner satisfactory to the said Superintendent.

13. And that the licensee shall at its own expense, not exceeding five hundred dollars (\$500.00), construct a dwelling in a suitable location, for a fire and game guardian of the Park's organization, both the design and location of such dwelling to be approved by the said Superintendent.

14. And that the licensee shall comply with all the requirements of the said Superintendent in respect of water-supply, sewerage, and sanitation, and any other particular, so as to protect the public health or comfort.

15. And that the licensee shall maintain the said lands, works, and buildings thereon in a condition satisfactory to the said Superintendent.

16. And that no dwellings or other structures shall be erected on the said lands without first submitting plans thereof to the Superintendent of the Park, and no buildings of any nature shall be erected on the said lands without first obtaining the approval of the plans thereof by the said Superintendent, and no person, without the consent of the said Superintendent, except miners or other employees of the licensee, shall occupy the said buildings or any portion thereof.

17. And that the sites of all buildings, erections, and shipping appurtenances to be erected on the said lands under this licence, shall be subject to the approval of said Superintendent.

18. And that the licensee shall not carry on, or suffer to be carried on, the business of a licensed hotel, to sell intoxicating liquors on the said lands, without the consent of the said Superintendent.

19. And that the plans of any townsite which the licensee may desire to have established for the erection of any dwellings or buildings for the use, resort, occupation, residence, or accommodation of any or all of its employees, or for other purposes connected with the said mining operations on the said lands shall be filed with the said Superintendent, and that the licensee shall at its own expense operate, maintain and conduct the said townsite to the satisfaction of the said Superintendent.

20. And that the amounts of any rents charged or emoluments received by the licensee in connection with the townsite, or for water, sewer, electric

light, or other service shall be subject to revision by the said Superintendent.

21. And that the licensee shall and will take such action at any time and in any manner as the Minister may reasonably direct or require to beautify the said townsite.

22. And that the licensee shall provide accommodation to any fit, suitable, proper, or desirable person or persons who may require or desire to resort to or reside at any boarding-house or hotel owned, operated, or controlled by the licensee on said townsite or said lands under this licence, provided that there is, in the judgment of the said Superintendent, accommodation available at the time, and that the said person or persons pay the usual charge for such accommodation.

23. And that the licensee shall sanction or permit any person, persons, or corporation having the permission of, or licence from the Minister in writing, to operate, set up, locate, establish, or maintain any boarding-house, hotel, or other place of accommodation, sale or amusement, or any livery, store, dairy, or other place of business of any kind whatsoever, on said lands without any fee, rental, licence, or any other charge being made, received, or exacted by said licensee for the land used or occupied for such a purpose other than that approved of, authorized or sanctioned by the Minister, but no such permission or licence shall be granted which shall or may obstruct or interfere with the exercise and enjoyment of the licensee's rights hereunder.

24. And that the licensee shall allow and give or cause to be given every facility and assistance to the Minister for him to take or have taken from the mouth of the mine or mines on the lands under this licence, as much and all the coal which may be required at any time for the use of the Department of the Interior, upon payment of the market price of said coal at the time the same is so taken, or to have said coal delivered on board cars at Pocohontas upon payment by the Minister of the market price of said coal and the cost of transportation thereof to Pocohontas.

25. And that the licensee shall take or have taken any and every precaution to prevent any subsidence falling in, caving or slipping away of the surface of the earth on said lands under this licence due to the said mining operations, and that should any such subsidence, falling in, caving or slipping away result from or be, directly or indirectly, due to such mining operations through any neglect or carelessness of the licensee or any of his employees, the licensee shall and will be considered and held solely and absolutely responsible for any claim or damage which may result, directly or indirectly, through such subsidence, falling in, caving or slipping away, and compensate the Minister for or repair any damage done from such a cause to the satisfaction of the Minister.

26. And that these presents shall be subject to the Dominion Parks Regulations for the time being in force, and all officers and employees of the said Parks shall have the same authority over the said lands as they have in respect of any other portion of the said park, provided they shall exercise such authority so as to cause as little obstruction, inconvenience, or interference as possible to or with the licensee in the exercise and enjoyment of its rights hereunder.

27. And that if any part of the rent hereby reserved shall be unpaid for thirty days after becoming payable (whether formally demanded or not) or if any condition on the licensee's part herein contained shall not be performed or observed, or if for any reason the lease of the coal mining rights in the said lands held by the licensee ceases or determines, then and in any of the said causes it shall be lawful for the Minister at any time, by notice in writing, to declare these presents determined, and thereupon this licence shall absolutely determine, but without prejudice to the right of action of His Majesty in respect of any breach of the conditions herein contained.

28. And that His Majesty will, on the written request of the licensee made six months before the expiration of the term over which the aforesaid licence is granted, and if there shall not be at the time of such request any existing breach or non-

observance of any of the conditions on the part of the licensee hereinbefore contained, and if the licensee shall obtain a renewal of the said lease of the mining rights in said lands, grant to it a licence of occupation of the said lands for a further term of twenty-one years from the expiration of the said term at a rent and containing provisos and conditions to be determined by the Minister at the time of the expiration of the term of this licence.
